# Home Sequence Lanyard (Boy)

Version 1.0

16 images per page

## About Visual Aids for Learning

Visual Aids for Learning is a company that develops images to streamline and support learning, empowering people to participate and achieve independence.

The free downloads are supported from revenue generated by online advertising on our website. We encourage you to visit our website often as we are continually updating these products and adding new images.

## How to make your kit

1. Print this document (we recommend using 180—200 gsm matt card)
2. Cut out each individual card using the grey lines as a guide.
3. Laminate each card.
4. Hole punch the left hand corner of each card.
5. Put the cards on a lanyard in the order most helpful to you.

## How to use this kit

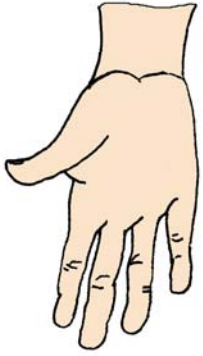

For suggestions on how to use these visuals, you can download an instruction booklet from our website.

## Copyright and allowable uses

This product is supplied free of charge. You may print, use and distribute as many hard copies of this product as you wish. You may also store, copy and distribute as many electronic copies of this product as you wish. We encourage you to email this PDF file as often as you like to as many people as you think may benefit from it.

However, you may **not** sell this product or any of it's content. All the images are protected under international copyright and remain the property of Visual Aids for Learning.
